

HOW TO FIND BLUE CHIP PRODUCTS LTD

COMING SOUTH - Take the M5/A38 towards Plymouth/Cornwall. On the outskirts of Plymouth you go over a flyover with the large Sainsbury's supermarket below (the one that looks like a sailing ship). Stay on the A38, following the signs for LISKEARD.

Ignore the turnoff signposted "TORPOINT" - instead, take the next turnoff signposted **DEVONPORT**. At the "Give Way" sign, turn left.

Go straight across the first (minor) traffic lights and turn **LEFT** at the next, major set of lights. Immediately move into the outside lane, and turn **RIGHT** at the next traffic lights.

Follow this road for a couple of miles – you will actually be following the dockyard wall on your right for most of the way. At the first set of traffic lights, go straight across. At the next set, turn **RIGHT** at the filter.

At the next set of lights 100 yards on, turn **RIGHT** again. This road drops down to the queue for the Torpoint Ferry. Watch out for the overhead traffic light system, and get into whichever lane is indicated. Coming into Cornwall is free – they just charge you £1 to get out again!

Once across the river, take the first turning **LEFT** (approx 50 yards). This is Marine Drive, and Carew Wharf Business Centre is the large stone building 50 yards along on the left. Park in the street, and come through the loading bay and up the stairs to our first-floor offices.

COMING FROM CORNWALL – At Trerulefoot on the A38, take the A374 exit for Torpoint and follow the road until you reach the point where you are about to enter the ferry queue. Instead, take the very last turning on the right. This is actually Marine Drive, although there is no sign, unfortunately.

Carew Wharf Business Centre is the large stone building 50 yards along on the left. Park in the street, and come through the loading bay and up the stairs to our first-floor offices.
